2nd International Congress on Food Safety and Quality

FOOD LIFE CYCLE

November 13 - 16, 2018 | Opatija, Croatia

FIRST ANNOUNCEMENT

www.foodsq-congress.com

Distinguished colleagues and dear friends,

It is a great honour and pleasure to extend my greetings to you on behalf of the Organizing and the Scientific Committee of the Second International Congress on **Food Safety and Quality – “Food Life Cycle”**, which will take place from the **13th to the 16th of November 2018** in beautiful Opatija.

Due to the great interest and attendance of the first Croatian Food Quality and Safety Congress with international participation, this year our wish is to organise even greater and more educational Congress to exchange experience of Croatian and foreign experts and to raise awareness of health safety and food safety issues.

The Congress' program includes topics from the domain of food safety and quality, with an emphasis on its effects on human health. Therefore, the discussions will cover new technologies, crisis communication and risk management, ecological production and GMO, management system, analysis, certifications and accreditations, development and application of analytical methods, microbiological food safety, safety of food contact materials and materials in contact with water intended for human consumption, geographical origin and food fraud, disease prevention and food-borne diseases, health tourism, trends in supplementation and dietary supplements, online food sales and numerous other important and related topics.

I invite you to actively participate in the Congress this year too and offer the latest knowledge on important issues in the field of food safety and quality.

I look forward to meeting you again in Opatija!

Sincerely,

Zvonimir Šostar, MD
President of the Congress
